

YMCA CAMP AND PROGRAM ASSISTANCE

Our Mission

The YMCA of Cass and Clay Counties is a not-for-profit community service organization dedicated to enhancing the spirit, mind, and body of all persons through quality leadership, programs, services, and facilities.

Strengthening the Community

The Y is for everyone. Our programs and services enable kids to realize their potential, offer ways for families to have fun and be active together, and empower people to be healthier in spirit, mind, and body. We work hard every day to ensure that everyone has the ability to learn, grow, and thrive. That is why we offer financial assistance to youth and families, so they can take part in the YMCA.

Financial assistance for camp and other programs is made possible through the Y's Partner of Youth Annual Campaign, and other community donations to the YMCA. This assistance is available, within the limits of our resources, to those that provide complete documentation showing their inability to pay the full rate. Participants are required to contribute to the cost of their YMCA camp or program fee; as a result, participants develop a sense of caring, belonging, and ownership.
